**The problem with Pat Lynch is
Perception Vs. Reality.**

Perception.

**It's not a typo: Pat Lynch made just five arrests in 15 years, all for offenses like burglary and disorderly conduct.*

Reality.

With a career total of only **5** arrests* after 15 years as a NYC cop, Pat Lynch resembles Barney Fife a lot more than he does Dirty Harry.

There are little old ladies out there who have made more *citizen's arrests* in the last 15 years than Lynch has collars.

So, when you consider Pat Lynch's wimpy arrest record — *and the fact that a vote for Lynch only helps Jim Savage* — you can see why real cops are voting for Jim Higgins and the Right Team.
